Type 'help;' or '\h' for help. Type '\c' to clear the current
```

The screenshot shows a terminal window titled "Activities Terminal" with a timestamp of "Wed 16:34". The terminal is running a MySQL session. The user is in the directory ~/Desktop. The terminal output shows several MySQL queries being executed, with some errors and successful results. The queries and their outputs are as follows:

```
sois@sois-VirtualBox: ~/Desktop
